More to the point, Safety Priorities can do all the work for you in putting things right, if you want them to, leaving you to get on with what you do best, running your business!

Safety Priorities firmly believes that the vital issue of Health and Safety should never be underestimated. Implementing Health and Safety measures are more than a legal responsibility; they are how employers, managers and owners ensure a safe working environment for their employees and patients alike.

Comprehensive Health and Safety packages tailored to suit your practice are available. The advantages of these packages are that they are:

- Affordable
- Professional
- Efficient, involving minimum use of the dentist's time to implement
- Require no previous Health and Safety knowledge
- Well researched, producing a legislation compliant product.

Safety Priorities Ltd can also provide a 3-year (renewable) Health and Safety contract providing help and support and MUCH more. For example:

- Unlimited Telephone Support Help Line
- Free Legal Advice if required
- Legal representation in the event of a prosecution
- Free Expert Witness Service.

This is what some of our satisfied customers say about the service:

"I found the service provided by Safety Priorities Ltd to be excellent. They have provided me with a full Health and Safety file containing an in-depth Safety Audit of my practice, identifying failings, all of which I have now corrected. I am finding the whole experience very worthwhile and extremely good value for money. With the on-going care provided by regular contact, I now have peace of mind to fully concentrate on building my practice safely."

Dr Marc Mortiboys, Surrey

"I was particularly pleased with the sterilisation and cross infection assistance that it gave him."
