Initial Consultation
and Assessment Fee
Fully deductible on sign up

There are two levels of service:

An initial visit to your premises at a cost of £99.00.

A consultant will spend between 1-3 hours with you to review your existing conditions and policies and to assess the relevant risks.

A three year contract covering all aspects of Health & Safety at an annual cost of £399.00.

Following a full assessment of your practice, you will be given a comprehensive H&S manual and safety audit which will ensure that you are fully compliant with current legislation. As part of the contract, any changes introduced at a later date by the HSE will be incorporated in the second and third year re-audits. In addition, you will have access to a free 24 hour help line for advice.
